### Note:

Each paid membership fee entitles one person from one location to all rights and privileges of membership in this association. Should more than one person or more than one location of the same company desire membership, additional dues must be rendered.

Members whose annual renewal dues are not paid in full by September 1st will be removed from the mailing list.

All renewal fees are due and payable as of **August 1st** regardless of the time that the membership was established.

All new members must complete a membership application and enclose it along with your check for dues. No membership is valid until both application and payment are received. The Board of Directors and Executive Committee reserve the right to deny membership to persons not associated with the golf community or to those persons who have abused their membership rights in the past.
